SA1	Date	Description	Former Reference
		repayment of the loan of £200 to Mr Mattei and others in Messaria for the repair of the Canal on river Pideas in 1879. Asks for copy of the guarantee	
14549	1881 Sep- 1882 Jun	Commissioner Famagusta forwards letter from the persons to whom a loan was given for the repair of the canal on river Pideas, declining to give a mortgage on their lands as security for the old loan of £200 and the proposed further loan of £150. They have therefore been told that the old loan of £200 with interest at 4% must be repaid at once	W.2/12/7
14550	1881 Dec- 1882 Jun	Commissioner Famagusta reports that the persons guaranteeing the loan for the repairs to the Pideas Canal have repaid the sum of £200. Asks for the original document giving their guarantee to enable them to recover the amount from the villagers	W.2/12/8
14551	1882 Nov	Commissioner Famagusta asks that a loan of £25 may be made by Government to certain villages of the Mesaoria to enable them to make a dam near the junction of the Pideas and Copris by means of which a large amount of land could be placed under irrigation	W.2/12/9
14552	1882 Nov	Commissioner Famagusta requests to be furnished with former papers relative to Condouros dam	W.2/12/10
14553	1882 Dec- 1883 Feb	Commissioner Famagusta submits that interest may not be asked for on the loan of £25 made to villages for the repair of the Condouros dam for the first year. States that a guarantee had already been taken for the money without mention of interest before instructions on the subject were received	W.2/12/11
14554	1882 Dec- 1883 Nov	Commissioner Famagusta reports in detail on measures taken and proposed since the occupation with reference to repairs to Condouros dam, cleaning of canal etc. Suggests that the whole of the irrigation works of the Canal Pideas be taken over by Government and that expenses incurred in building bridges and dams and repairing	W.2/12/12

This margin

SA1	Date	Description	Former Reference
		channels etc be afterwards recovered from the villages interested by means of an uniform charge on every donum of land irrigated. Gives statement of extent of value of land which the canal is able to water	
14555	1882 Dec- 1883 Jan	A&AG proposes loan to villagers of Mesaoria for repairing Condouros dam be charged to "Advances"	W.2/12/13
14556	1883 Feb- Apr	Government Engineer reports generally on the Pidias canal etc and briefly indicates measures necessary for the improvement of the system of irrigation. Recommends that a special survey of the irrigation system of the Mesaoria be made as early as circumstances may admit	W.2/12/14
14557	1883 May- Nov	Government Engineer reports that the Condouros dam has been carried away by a flood and urges the necessity for its reconstruction for reasons stated by him	W.2/12/15
14558	1883 Jun- Jul	Commissioner Famagusta forwards report on the irrigation of the Mesaoria by the Pidias Canal	W.2/12/16
14559	1883 Jun- Nov	Telegram form Secretary of State approving the work on Condouros and that the advance is to be made from the Agricultural Bank recoveries which should not be credited to Locust Fund	W.2/12/17
14560	1883 Jul- 1884 Jan	C.O. despatch No 198 of 29 June 1883, approving the construction of a dam on the Messaria canal at a cost of £300, one-tenth of which may be finally charged to Revenue and nine-tenths as an advance to the villages benefited, the advance being made from the funds of the Agricultural Bank and previous instructions as to crediting the Locust Fund with the Bank balance modified accordingly. Approves of balance of Bank fund over aggregate outstanding advances for local improvements being credited to the Locust Fund, but considers that it would be best, for the present, to keep the Bank fund intact. Considers repayment by villagers at rate of 1cp per donum per annum, a reasonable rate,	W.2/12/18

SA1	Date	Description	Former Reference
14678	1881 Aug- 1882 Jan	C.O.despatch No.268 of 5.8.1881, acknowledging receipt of list of Public Works proposed for 1881-82. Presumes those works are being proceeded with which are most urgently required and that the government offices at Troodos will be commenced (for which the Estimate of £1000 must not be exceeded)	W.2/29/14
14679	1881 Sep- Dec	Proposed Public Works 1882-83	W.2/29/15
14680	1881 Dec- 1882 Jan	Government Engineer submits returns from all Commissioners of the Public Works required for year 1882-83 and submits explanatory observations thereon with list of works proposed	W.2/29/16
14681	1882 May- Jun	C.O. despatch No.555 of 12.5.1882, remarking upon the expenditure set down for Public Works in Estimates 1882-83	W.2/29/17
14682	1882 Jul- Aug	C.O. despatch No.611 of 3.7.1882, acknowledging receipt of despatch in further explanation of Public Works Estimates for 1882-83. Approves expenditure of £200 on making a new entrance through the ramparts of Nicosia, but in future the principle should be strictly observed of not throwing the expense of Municipal works on general funds. States that the item of £1500 for incidental works is objectionable in principle, the proper course being to include works unforeseen at the time of making up Estimates in a Supplementary Estimate.	W.2/29/18
14683	1882 Jul- 1883 Feb	A & AG points out that Government Engineer has adopted a system of transferring to certain works charges which had been already posted to other works or to "plant & stores" and encloses a schedule of such for 1881-82	W.2/29/19
14684	1882 Aug	Acting Government Engineer suggests that Commissioners and Heads of Departments should be reminded that all proposals affecting Public Works Estimates should be in the hands of Government Engineer by 1st October	W.2/29/20

14684	1882 Aug	Acting Government Engineer suggests suggests that Commissioners and Heads of Departments should be reminded that all proposals affecting Public Works Estimates should be in the hands of Government Engineer by 1st October	W.2/29/20 **
14685	1882 Sep- 1883 Feb	Government Engineer forwards returns of Public Works proposed for the year 1883-84. Special report regarding certain items will be shortly submitted	W.2/29/21
14686	1883 Jan- Feb	Government Engineer reports on certain of the items included in the Public Works Estimate 1883-84	W.2/29/22
14687	1883 Mar- Jun	C.O. despatch No.92 of 14.3.1883, criticising at great length the estimate of Public Works expenditure and altering some items and omitting others altogether. Total estimate reduced from £18.325 to £11.650	W.2/29/23
14688	1883 Apr	Government Engineer requests authority for the expenditure of £43.17.3cp excess over estimated cost and amount authorized for certain works etc. Estimates 1882-83	W.2/29/24
14689	1883 Jun- 1884 May	C.O. despatch No.174 of 8.6.1883 respecting works proposed for execution during year 1883-84. Requests definite assurance that marshes at Famagusta proposed to be drained are on government land and requests to be furnished with a sketch map. Approves expenditure of £675 on Customs Warehouse at Limassol. Remarks as to charging the excess on this account and on that of draining marshes at Famagusta. Approves of servants quarters at Government House Troodos being proceeded with. States that Crown Agents have been instructed to comply with requisition for material for iron jetties at Zigi and Paphos and requests report on site of Court House at Famagusta and as to necessity of building Police Barracks at Paphos.	W.2/29/25
14690	1883 Jul- Sep	Public Works Accounts. Auditor submits scheme for allowing of transfers from one work to another without the transaction appearing in the island accounts.	W.2/29/26

		do not apply to officers who are not paid either by yearly salaries or fees	
15411	1881 Dec- 1882 May	List of minor appointments made in Cyprus from 1st January 1881 to 25th November 1881 which have not been reported to Secretary of State	8/Gen No./3
15412	1881 Dec- 1882 May	C.O.despatch No.423 of 30.12.1881, acknowledging list of minor appointments made during the 9 months ending 30th September 1881. Points out that clause 67 of Colonial Regulations refers to vacancies and not to first appointments which should always be separately reported. Requesting a report as to several first appointments for which no provision appears to have been made in Estimates and also as to whether the appointment of four forest officers instead of two involves any increase of expenditure	8/Gen No./4
15413	1882 May	Quarterly returns to Secretary of State for year 1881	8/Gen No./5
15414	1882 Feb- May	Quarterly returns: Special payments	8/Gen No./6
15415	1882 Jul- Aug	C.O. despatch No.599 of 23.6.1882, approving "special payments" made during the first three quarters of financial year 1881-82. When the accounts for the four quarters are made up such of these payments as cannot be brought to account under any head of expenditure in Estimates should be embodied in supplementary Estimates	8/Gen No./7
15416	1882 Sep- Dec	Returns for quarter ending 31st March 1882 to be sent to the Controller and Auditor General	8/Gen No./8
15417	1882 Oct- Dec	Enclosed schedules received from Colonial Office as asked for by despatch No. 364 of 11.11.1882 for A & AG	8/Ge No./9
15418	1882 Dec- 1883 Jan	Return of special payments for quarter ended 30th September 1882	8/Gen No./10
15419	1883 Feb- May	Special payments for quarter ending 31st December 1882	8/Gen No./11
15420	1883 Jun- Jul	Quarterly returns 31st March 1883	8/Gen No./12
15421	1883 Jun- Jul	Return of special payments for quarter ended 31st March 1883	8/Gen No./13

This margin
